LINGUISTICS MAJOR worksheet for the Class of 2020 and beyond

Note: Before declaring a LING major, minor, or modified major, you should meet with a LING faculty advisor to review your plan.

Prerequisites (three courses total):

1. Linguistics 1 Term ________________

2. Two foreign language courses in addition to the College's foreign language requirement. You may fulfill this requirement by taking two courses in a single language beyond the first-year level in the same language as used to fulfill the College requirement. Alternatively, one or both of these additional language courses may be in a different language not closely related to the first. (Linguistics 8 and Linguistics 35 may be used to fulfill one or both of these additional language courses; if used in this way, however, Linguistics 8 and Linguistics 35 may not also be counted towards the major.)
